Note continued

The Deputy Commissioner was written to as directed above, and in reply, he has forwarded the report and an estimate for Rs 630/- submitted by Assistant Commissioner Mr Krishna Rao, for repairing the house belonging to the Sri Vyasaroyaswami Matt and situated in the old Agrahar, Mysore City. The Assistant Commissioner says that he consulted the Chairman of the Mysore City Improvement Trust Board and the Vice-President of the Municipality and holds with them that the extent of the house and of its backyard is so small that it is useless for matt purposes, that it is quite in a dilapidated condition and will have to be practically rebuilt at a cost of Rs 630/- as per the estimate, leaving vacant a strip of land all round and on the northern side and rent it out to persons such as the matt's Agent &c.

The Deputy Commissioner is however

of opinion that the house may be allowed to be taken up by the Trust Board and out of the amount of compensation awarded therefor a new Matt building may be erected in another locality.

Please request the Dy Com to ascertain and report what compensation the Trust Board will give if they take up the whole house and demolish it.

It may afterwards be considered whether it is worth while repairing the house, or building another house on another site
22/3/06

(note Continued)

The Deputy Commissioner was accordingly addressed in his office Docket no 4431 dated 2nd April '06.

In reply he reports that the Chairman, City Improvement Trust Board states that if it is to be urged that the house should be taken up now by the Trust Board it is prepared to do so with the sanction of Govt by paying for it in its present condition a sum of Rs 440.

The question is whether to give away the house to the Trust Board or to repair it at a cost of Rs 1,30.

The house is very small and is situated in a crowded locality. The Trust Board have condemned the house

no 8 dt 5th July 1906

Rk 19.7.06

Submitted DS 23/7/06

Muzrai Secretariat. File No of 190

as unsanitary and marked it for demolition unless the house is re-built leaving an open space 6 feet wide. The one has lived in the house for many years, and the Matt has allowed the house to go to ruin. The building is not a Matt, it is but a small dwelling house, said to have been given by some private individual as an offering.

If 6 ft are left out, the house becomes smaller still

On the whole I am of the humble opinion that the offer of the Trust Board to pay a compensation of Rs. 440/- may be accepted and the amount placed in the Savings Bank along with the other funds of the Matt now in the hands of the Govt. Later on, if the need arises, a Matt may be built in a good locality.

The Chairman Mysore Inas. Board was requested to report if he can arrange to grant the site already granted by the Trust Board for the Construction of a building free of cost to the Vyasaraya Matt as it is a religious and Charitable Institution. In reply the Chairman states that H.H. Govt. sanctioned the purchase of the site in question in Pro. No 3616-8 dt 22nd January 1907 at a cost of Rs 605 & is not possible to grant it free now.

Secondly. A plot of ground adjoining the site ~~now~~ referred to above containing cocoanut trees & a small well ~~was~~ having been considered to be very useful to the matt for planting Tulasi and other flower plants the Chairman was requested

this plot for the matt. In regard to this the Chairman states that the plot belongs to Venkatakrishnaiah to whom the land was granted free of cost, for the construction of a temple, by the Mysore City Municipal Council. He has obtained from him a Mutchalika agreeing to make over this land if a plot of ground measuring 80'×180' is granted together with a money compensation amounting to Rs 42-8-0 for the extra area is paid to him -

This site was inspected by the Muzrai

acquisition. It is now reported
that Venkatakrishnayya to whom
the site was originally granted free

Sir,

I respectfully beg to report that when I went to Estimate the cost of repairs to be done to Sri Vyasaroya Matt house in the Old Agrahar at Mysore I was informed by the people inhabiting there that the City Improvement Committee have condemned the house as insanitary.

2 In the Office of the Chairman, City Improvement Trust Board, Mysore, I was shewn the proposed improvement plans (extract appertaining to the Vyasaroya Matt house is herewith submitted) in which I found that this house No. 908 has been marked with a star ⊗ denoting that it is insanitary and should be demolished after paying the usual Compensation to the owner when the improvement operations

reach this part of the city.

3 The Chairman Mr. Sitharama Rao was kind enough to inspect the house accompanied by me and Mr. Ambale Anvayapundit and said that there is no objection to the house being repaired and made habitable provided that a lane not less than 6 feet wide is left detaching this house from its adjoining house on the north side both of which now remain joined.

4. The Vice President of the Mysore City Municipality who has to grant license for restoring the house said that the necessary license will be granted if the Chairman's permission is obtained and forwarded to him setting forth that officer's terms fixed for the restoration of the house.

5 As all the wood work of the house is rotten it has to be replaced altogether. The thorough repairs of the house together with the cost of pulling down one Ankanam for separating this house from the adjoining house would approximately amount to Rs 100 and when restored and let out for hire the house is likely to fetch a rent of Rs

2 a month.

6. The Municipal tax fixed upon this house is annas fourteen a year. As it is vacant for the last 5 years a remission of a moiety of house rent is made by the Municipality. A sum of Rs. 2. 3. 0 being arrears of house tax is now due to the Municipality by the Matt from the year Syarvare to Krodhi at Annas 7 per year.

I would therefore propose the rebuilding of a matt in another locality with the compensation award by the Trust Board.

Sir,

With reference to your docket No 117 dated 21st August last, I have the honor to report that I inspected the house in old Agra-har at Mysore city belonging to Sri Vyasaraya Swami Matt The extent of the house and its back-yard is so small that it is useless for Matt purposes. If the Matt wants to retain it as its property it may be repaired and rented out to some one. The present building is too low and in quite dilapidated condition. It requires thorough repairs which means a new building altogether leaving a vacant space all round and to the north as suggested by the

Chairman

Chairman of the City Improvement Trust Board for which estimate for Rs 630/- is herewith submitted. The whole building will have to be dismantled and a new one erected. Even then it would only be a private house and does not deserve to be called a Matt. The Matt agent may live there I have consulted the Chairman and Vice President of the Mysore city on the subject. They agree with me.

2. The original enclosures are herewith returned

Report submitted by Government Agent M. Raghavendrachar for Sri Vyasaroya Swami Mast.

Re: a site for building a Mattam for Sri Vyasaroya Swami Matt at Mysore town.

Reference: Proceedings of the Government of H.H. the Maharaja of Mysore No 879-82 dated 7th August 1906.

The construction of a new matt building may be taken up later on as directed in para 2 of the Govt order above quoted, but the Government Agent begs leave to submit that as the scheme for the improvement of the Mysore town being now in the hand of the Trust Board this is a suitable opportunity for reserving a suitable site for the purpose for when all the available sites are disposed of it would be difficult to procure a suitable site in a convenient locality for a reasonable price

Kuli Karahalli or Dodda Kere Tank as the Swamigalavaru has to go there for bathing every morning.

3 A site about 200 feet square may be required for building the Main Mattam and another of a similar size for locating retainers Cattle such as Elephants, Camels &c.

4 If a site is selected near the Rajendra Agrahar the main Mattam structure when built up would serve to be an ornament to the locality.

Dear Mr. Sitarama Rao,

I have received your Official letter No. 35, dated 10th July 1907, in which you say that in regard to the plot of ground adjoining the site intended for the Sri Vyasa royaswami Matt in Mysore City, you have addressed the Vice President of the Mysore City Municipal Council. I am afraid you will get a reply from that Officer saying that the site has been given away to a private individual. During our conversation on this subject, I thought you were kind enough to promise that you would send for the present owner and after making him consent to relinquish the plot of ground, give him a site elsewhere and thus secure to the Matt the ground in question. You will no doubt see by personal inspection that the addition of this small plot of ground is really required for the purposes of the Matt. I shall thank you to kindly use your good offices in the matter and try and get the additional ground for us for any reasonable sum that may be settled by you.

For the plot of ground already allotted for the Matt, I will send official orders to the Deputy Commissioner very soon

sanctioning payment of the sum of ₹605/- fixed therefor

Hoping you are well,

SIR,

Adverting to Government Proceedings No. 753-5 dated 9.8.07 directing the transfer to the credit of the City of Mysore Improvement Fund the sum of Rs 605/- for the purchase of a site to the north of the Weaver's lines at Mysore for the construction of a Branch Math building for the Sri Vyasaraya Swami, I have the honor to state that the Comptroller, Mysore Government in his docket No 1012 dated 20.8.07 addressed to you states that the amount in question has been adjusted in the accounts of his office for August 1907 by debit to 14 Miscellaneous Funds (1) Inungram Funds (B) Institutions under Government management temporary and credit to (29) Miscellaneous Remittances (4) Remittance to Mysore City Improvement Fund.

(2) The Vice President, City Municipal-

Municipality Mysore, states that the value of the site in question should be credited to the "Western Extension Fund" and not to the "City of Mysore Improvement Fund." (Vide copy of letter No 316 dated 6/7.9.07 herewith submitted).

(3) As Government in their Proceedings No 3616-8 dated 22.1.07 directed that the Trust Board had resolved to grant a site to the North of the Weavers' lines for the construction of the Hall building and requested me to secure the needful documents in communication with the Chairman of the Trust Board, no reference was made to the Vice President in the matter.

(4) Now that it is reported by the Vice President that the amount should be credited to the "Western Extension Fund" I request that you will be so good as to move the Government to order the credit of Rs 605/- to the "Western Extension Fund.

5) The City Improvement Trust Board has no right to claim this amount which is the

value of the site in the Western Extension under the control of the City Municipal Council, the City Improvement Trust Board exercising their control over the area only so far as the Improvement of the Extension is concerned.

Sir,

I have the honor to state that as desired by you in your letter No. 20 of the 10th July last, Government have directed in their order No. 753-5 (9-8-07) to credit Rs. 605, the value of the vacant land given to the Sree Vyasaraya Swamy Mutt, in the Weaver' lines, to the City of Mysore Improvement Fund. I beg to report that this fund is quite distinct from the Western Extension fund to which all sums realized from the sales of lands & in the Western Extension of the Mysore City (in which Weaver's Lines also are included) are credited. In the Trust Board meeting yesterday, the consideration of the above mentioned Government Proceedings came up and the Board resolved to credit that amount (Rs. 605) to the Trust Board Fund. You may remember that some time ago I obtained your permission to write to the Chairman of the Trust Board to remit this money for credit to the Western Extension Fund and I wrote to him accordingly. The Government order above quoted is based upon your report in which City of Mysore Improvement Fund is mentioned as meaning Western Extension Fund. For these reasons I dissented from the resolution of the Board and I request that you will be so good as to address the Government to order the credit of this sum of Rs. 605 to the Western Extension Fund and not to the " City of Mysore Improvement Fund " which is understood as Trust Board Fund.

L.Ananthaswami Rao, Esquire, B.A.,
Sectretary to the Govt. of H.H.the Maharaja
of Mysore, MUZRAI Department, Bangalore.

With reference to your No.1796 of the 9th instant, calling for opinion as to the "Fund" to which the cost of site, amounting to Rs.605/-, to the north of the Weavers' Lines at Mysore, obtained for the construction of a building for the Sri Vyasarayaswami Mutt has to be credited, I have the honor to invite reference to Govt. Order No.2395-7/M1.507-06-4 dated the 12th September 1907, vesting in the Trust Board with the concurrence of the Mysore City Municipal Council, the locality within which the above site is situated, and to clause (2) of section 25, and clause (1) of section 26, of the Mysore City Improvement Regulation, from which it will be clear that the amount in question should go to "the City of Mysore Improvement Fund".

I have the honor to be,
Sir,
Your most obedient servant,
